Hi Dan,

Attached is my work-in-progress annotated outline. After you get a chance to review a complete draft I will send it to the rest of the team for review. I plan to ask them each to add at least a few key references, though the more the better. I will finish the Risk Assessment part tonight or tomorrow but wanted to get your feedback on what I have so far.

I called Jenny, but it was too late in the day. I will try again tomorrow.
